QR Code Link to This Post I'm in search for a roommate for my current 2 bedroom, 1.5 bathroom in Belltown. Move in date of Jan 1 or later (can be a little flexible depending on what you're looking for). I love the location and the price, but unfortunately my current roommate is moving back to her hometown in the new year. I thought I'd turn to Craigslist to find an equally awesome person to sublease for 6 mo (then potentially the opportunity to lease again next year)!

About the Apartment:

Bright and spacious 2 bedroom with a shared full bath and a 1/2 bath in the hall. The main bathroom has two vanities, so it's almost like we have our own bathrooms in one. The kitchen has new, stainless steel appliances and a dishwasher. Rent is 450 + all utilities (w/s/g, gas, electricity and internet come to about \$75/mo). It's close to so many bus lines and there's a Safeway within walking distance.

- Parking available in the building for an extra \$150/month.
- Shared rooftop deck for all residents with a KILLER view of the sound/Olympic mountains
- Elevator, but no doorman
- Washer and dryer in-unit
- gas fireplace (free gas for fireplace, so doesn't count toward bill!)
- NOTE: I have a cat, Lulu. She's super friendly and will want your attention. It's up to you if you give it to her ha. Would love a roommate who wouldn't mind replenishing her food or litter box if I'm away for a long weekend.

About Me:

I'm a 26 year-old, female, marketing professional who moved here a year and a half ago from Chicago (originally from Cleveland, OH). I'm organized, easy-going and enjoy all things outdoors. I like a night in with a glass of wine as much as nights out trying a new restaurant and hitting the town. I have a boyfriend who occasionally stays over and will be just as respectful with your space.
