QR Code Link to This Post Contemporary Marine Flooring, Certified SeaDek Fabricators and located out of Spokane, is looking for potential Certified Installers. A SeaDek Certified Installer markets, templates and installs SeaDek. If you are currently in the Marine Industry in a capacity to deal in this remarkable, innovative product, we want to talk to you. Required: 1) The ability to template.... preferably you own a digitizer; 2) The ability to travel to Rockledge FL for 2 days of training and, 3) The desire to promote SeaDek. Typically, if you own an upholstery or flooring business that deals with the Marine industry you might be perfectly suited.

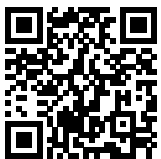

About SeaDek Marine Products-

SeaDek Marine Products is the leading manufacturer of a range of EVA non-skid products for marine and sports use. A viable alternative to carpet and molded-in nonskid, SeaDek's line of products are targeted for OEM boat builders, resellers and end-users. SeaDek can be tailored to fit a wide variety of applications on most boats. Learn more at <http://www.seadek.com>.

If you are interested and meet the above criteria, please call Scott at 509-nine95.
