QR Code Link to This Post Seeking property owners interested in hosting q low impact-- [on the property] --recreation-- [no paint ball or shooting of any kind no motorcross] -- that could easily pay off the taxes on 60 to 80 acres of undeveloped space. -- What it basically entails is the use of some trails /pathways either naturally existing or created looping throughout the property. -- You would need an access and space to park 10 to 12 vehicles, and expect foot traffic on a daily basis year round . -- I currently have a layout that is working to take care of the taxes and beyond at a 55 acre horse farm, the owner there has been very happy about the relationship which is nearly 5 years now. -- Anywhere from 10 to 12 acres and up of undedicated area would be ideal . --Contact me for more info ,don't let it fall into the hands of a developer ,I can.
