QR Code Link to This Post does Rhode Island really need so many cities in a state that can be crossed in 45 minutes??? Portsmouth, Middletown, and Newport all have city halls within a few miles of each other. why do we need so many town administrators? fire departments? police department heads? This does not make fiscal nor pragmatic sense. This is not 1840.

Merge with abutting states and eliminate Rhode Island. At the very least....merge abutting communities to reduce.
