~ Luxury apartment living awaits you! ~

The Bently is our 1175-sqft 2br/2-bath; it has an awesome living room with bay window sitting area, 16X21, VERY LARGE! This floor plan has either 9-foot ceilings with double crown molding or vaulted ceilings with wood burning fireplace, off your living room is a patio or balcony depending on floor level. At the back of the living area is a larger dining room that flows into your kitchen fully loaded with all white appliances that then flows into your utility area with full size w/d connections! This floor plan has unique bedroom placement, the bedrooms are considered zoned, which means that they flank the sides of the "common area", on one side of the living area is the master suite that has its own walk in closet, linen closet, and bathroom with vanity, most have garden tubs and the other side has a spacious second bedroom, closet, linen closet, and bathroom with vanity!

Open concept floor plan means no sharing bedroom walls!
Wood-burning fireplaces, bay windows, walk-in closets & HUGE garden tubs
Washer/dryer hookups
Pet friendly with no weight limit & NO monthly pet rent!
