QR Code Link to This Post Looking for someone to sublet my room, as I am moving to Washington DC for an internship this spring. I live with two other women, both of whom are career focused, but fun too! I will pay January rent, but remainder of the lease is through June 31st. Rent is usually \$435, but I will pay \$100, making it \$335/month. Heat is also included! Pictures available upon!
