QR Code Link to This Post I have over 10 years of experience in my field and would love to share my knowledge and expertise with you. I have experience working with a wide variety of home and business electronics, if you have a project I have a solution for you. I service all makes and models of desktop computers and laptops. Whether your machine is just running slow or it won't start at all I can fix it for you. I also do upgrades and custom system builds.

Prices are very reasonable.

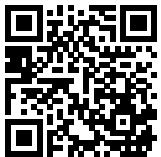

Please call or text me with any questions

Thank
