QR Code Link to This Post Do you want to be a Star on the silver screen? A model walking the runways of the world? Or starring on your favorite television show?

Do you have what it takes to become the next star in Hollywood?

I have worked with many different actors and models building their careers, and getting them ready for the industry.

Actors that I have worked with have gone on to star in many different TV shows like Henry Danger, Six, Criminal Minds, NCIS, Bones, The Last Ship, Days of our Lives, Agents of Shield, Power Rangers, Austin and Ally, and many MANY more.

Models that I have groomed have graced the runways of Guess, Armani, LA Fashion Week, NY Fashion Week and fashion weeks across the globe. They have also been in the pages of Vogue, Harpers Bazaar, GQ and many more.

I am going to be in town for a limited time looking for some great talent to work with, groom and get started in the industry. Please send me an email with 5 photos of you, what you have done (if anything) and what are you looking to do.

If I choose you then we can set up a meeting on how we can work together and what I can do to help you make your career a reality.

Don't wait! I have very limited spots and will only be in Vegas for a limited time.

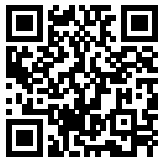

I look forward to meeting with you.
