QR Code Link to This Post 60 open acres with some rolling hills and a patch of birch trees in middle of acreage. The well is permitted for 2 households and was tested in 2017 which passed and will provide documents. Power at end of property near the 2 permitted septic installed. Gravel driveway through length of property which connects to gravel road leading to county maintained roads. Year round access. About 10 minutes to school, library, town of Malo and about 25 minutes to Republic Hospital, Grocery, Hardware Stores, Restaurants, Mechanics, etc. Don't miss out on having a private getaway, yet close enough to amenities, with a 360 degree panoramic view of mountains, close to numerous fishing and hunting grounds (if you want to venture off your land) otherwise bear, elk, deer, and moose can be found roaming about your land. The land is setup for more than one household and the grunt work has been done for you. 2 septic, a well for 2 houses, and 60 acres of elbow room all for 240Kobo!!! All reasonable offers!
