QR Code Link to This Post I am owner of a new-to-me Nexus 9 tablet (nougat). As a 70+ senior new to all things streaming and internet, I am looking for an experienced android tablet user with teaching skills to help me learn to use it for web searching, email, web phone and video calls, and watching videos. Must be patient, fun, and sensitive to the needs of a senior learner.

Please call Richard at for more info.

Thanks; I look forward to hearing from!
