Come relax in this amazing home that offers a fantastic location, classic Richmond style, and a remarkable value. This well maintained and cared for home sits on a partially wooded park-like lot. 12 miles to downtown Richmond, less than a mile to Powhite parkway, and minutes to a variety of Midlothian shopping. Off the foyer is a living room and formal dining room with chair rail, crown molding and beautiful wood floors. A large family room with wood burning masonry fireplace that has electric artificial flames that look real with a heater blower. The kitchen with breakfast nook that opens out to a fabulous 12 x 24 foot deck for entertaining. Perfect for cookouts in the warmer months. Single car garage with driveway that extends beside the garage for RV or boat parking. Home has had several recent upgrades to include new heat pump less than 2 years old, hot water heater and granite counter tops in the kitchen. The whole home has been meticulously maintained as well. Refrigerator goes with home. Ken Russell
