QR Code Link to This Post Influencers are where are most of the music talent is coming from now!

Why? Because they have a built in fan base and they are extremely bankable!

An influencer with 50,000 followers on Instagram can earn \$50,000 a year, easily, if you work with the right team.

We are the team you need!

We are looking for young artists, 16-30 that are just starting out on social media and are looking for the right team to establish a fan base via social media.

Currently have an artist that is averaging 1,000 NEW followers a day! They are also going on an enormous tour. He's never released a song!

Parents if your son or daughter is trying to launch their music career on social media please get in touch with us.

Your child must be able to:
 Sing and preferably play guitar or piano.

We have launched several very successful artist via youtube and social media already and are looking for the next.

We have very established and successful writers, producers, and management ready to work with the right artist. Everyone involved is very current with songs and artists on the radio now!

Please send a 30 second video of a song or instrumental to info@genclassifieds.com or <https://www.genclassifieds.com/x-744543-z> with your phone camera.

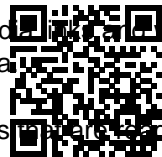

We are looking for parents who are ready to invest in their child's music career and help them launch a successful career.

We look forward to hearing from you.
