We have steady work, and lots of it. Our work never slows down and we need more people to help complete it. We work THE WHOLE Dallas-Fort Worth Metroplex.

We need framing crews, not individuals. We need crews that can get in and out of a house in a few days. Must be able to do interior, exterior, wall moves, beams, additions, etc. Must have all your own equipment and be on time. Must work full days until complete. Must do proper work, to code, etc. Looking for professionals only.

If this is you, reply by email only. We are too busy to answer all the phone calls. We pay on time, every time. But we are house flippers, so don't expect to get "the going rate" for your work, because that's not how this business works. It works because we are doing high volumes of work and never have a slow season. So if you want to skip over what is generally regarded as "the slow season" every year, get with us and keep.
