QR Code Link to This Post 2008 Mercedes benz s550 AMG SPORT Package, p2 package, this is a one owner car that has always been babied and serviced on time, it has 142,000 miles and climbing, it's mostly highway miles from here to vegas. It runs and drives really nice, every button, every knob and every switch works like it should. No issues or problems. The air suspension was just serviced with all new air shocks and struts, this was almost \$5000 alone, 4 brand new tires, new battery. The car needs nothing but a new home.

I have all the service records since new, everything was done at the dealer or by a certified Mercedes benz mechanic. This car is as close to new as you can get. You will not be disappointed.

\$15,250 OBO

No low ballers please
