These were made exclusively in celebration of the best of the Mark series up to this point in time. Has the very sought after MK2C+ output section, along with the best sounding revisions (According to Randall Smith Himself!) MK3 preamp. Blue Stripe. Words and pictures don't do this amp justice. Been in studio its entire life. Tubes are 100% and comes with the original optional road case for anyone brave enough to use on stage. These are Very hard to come by. Only ever seen one other for sale, and the guy changed his mind and kept his. #56 of 100. Never be any more. The true Mesa purists and several Mesa employees have expressed their Love for this, the Very best of the MK series attributes in a 3 channel configuration, with the beautiful Flame Maple Cab. You won't find a cleaner example or more versatile sounding amp anytime soon. Don't pay a small fortune for a MK2 C+! This amp does "that" tone with way more versatility and quieter specs. Will only appreciate in value as time goes by. Check pictures and call for more details. No Shipping! Local Cash Sales only. \$3550.00
