QR Code Link to This Post Have a look. If you know what this is, you know you want it. Very hard to find. Amazing tones, amazing build. Built during The golden age of BC Rich instruments. See pictures. For better pics and more info contact me.

Includes hard shell case in picture. (Not original case). If you are old enough and lucky enough to have played one of these in the Late 70's, you know the deal.....

Not interested in trades, not shipping, no checks. Cash only. Don't contact us to disparage or comment on the price.

If you want it, email us, not for you, just keep scrolling. Good luck and ROCK AND ROLL !

The pictures really do tell the story. If you know what this is, you know what its worth.....

Selling for a private estate. don't waste my time or yours. Serious buyers only!

Guitar collectors and players with money, p.m. me for list of available collector and rare guitars and basses. Most will not be put up on Craigslist. If you are in the market for some one of a kind and very precious instruments, get in touch.

\$2250
