Litter trained & eats dry food. Young, very healthy and and in good health, male and two female available for new caring home...

I don't think it is safe to give puppies out for free

but all that is needed is your love and care.

I just want them to be cared for they are up to date on all their shots they are very healthy.

Good with dogs, cats, and very young children, fully house broken, can be taken outside with a leash or no leash,

very friendly and well behaved. Due to our new work schedules we are unable to give them all the attention they needs. male and female available now to go.. contact for more details

they are a very beautiful puppy

Beautiful Bulldog puppies ready to leave for their new families. White and Brindle puppies (Pearl) now available. Both parents have passed the Bulldog Breed Council health check with a Bulldog approved vet and are tested

Contact for rehoming.applies on each

Have updated shots and deworming

Comes with all his puppy things & ready for his new home
