

Craigslist is a great service, for the 9 years that we've been in business we have been using this site since to start. We've made friends and met great clients through the site. The only problem is that the service is it's free. Therefore anyone can post on here and say whatever they'd like. Instead of taking a risk, call the transparent movers. Not only are we professional and respectful but we have many outlets for our clients to see our work, this way they know what they are getting before they hire us. If you'd be so kind to take a look at our sites below, and follow us on social media to see what we do on a day-to-day process. We offer discounts for military, students, educators and senior citizens. We also offer a discount through donation of non-perishable goods to our #MobileFoodBank program which you can find out for information about on our site. We thank you for your time and we urge you to take a look and see that we're the real deal. We hope to hear from you soon.
