QR Code Link to This Post My name is Lucien Diawara and I want to become your personal trainer. I'm a 19yr old college student who is currently majoring in athletic training at MSU Denver. All my life I have been surrounded by athletics and I played soccer and ran track in high school. It gives me great satisfaction to help people reach their athletic and physical goals and that is something I hope to do for the rest of my life. I currently don't have any certifications but I plan on getting one later in 2018. I have plenty of experience training people in sports and I am dedicated to making people better physically and also mentally. Working out and exercising is only half the battle so having a good diet is something important that I preach to my friends and colleagues. I expect 150% at all times so bullshitting is not allowed. My rates will be negotiable due to my inexperience and my availability will be after 3 on Mon, Wed, and Friday and relatively anytime that's good for you on the weekend. I'm hoping that you can give me the opportunity to get you in the best shape of your life. You can contact by phone.
