

THE HOUSE:

- Large deck (19 by 12 feet) with stairs to garden with cable rail.
- Fantastic view (panaromic) view of San Francisco, East bay and South San Francisco.
- Energy efficient windows, new tile installed for large kitchen and bathroom.
- Hardwood floors throughout the house, new stainless steel 3 doors large refrigerator.
- Free wireless network, Comcast.
- cul de sol or dead end street so it's a quiet neighborhood.
- Excellent view of the sunrise from the deck, dining room, living room, hallway and bathroom windows.

THE NEIGHBORHOOD:

- Safe and excellent neighborhood.
- Easy street parking
- One block for the bus.
- 5 minutes drive to mall, UCSF and, SFSU.
- Close to 101 and 280.
- Close to West Portal and Twin Peaks.
- The end of the street is Mountain Davidson (the highest elevation in San Francisco and amazing view).

THE ROOM:

bed with high spring mattress (swing logbo, low dark grey), and a single tufted headboard that folds down into bed.

Chair, lamp, and 2 large glass
