QR Code Link to This Post We plan to remodel a master bathroom. This is a full gut job. This would include demo, sheetrocking, framing, tiling, plumbing, trimming, and painting. You don't have to be able to do all of this in order to give us an estimate on the part you do. We don't have a time frame yet. My wife and I are nudists so whoever is interested would have to be comfortable being in the nude and being around nude people. This is a serious ad, so we expect you to be serious as well. If you would like to look at the space and give an estimate on all or part of it then please contact.
