QR Code Link to This Post Add a little color to your next event! I paint for birthday parties, weddings, baby showers, corporate events, family reunions, barbecues, tailgate parties, fundraisers or company picnics!

I paint full faces, cheek and arm designs and custom designs. I can paint about 10/15 kids an hour, depending on the theme. I use glitter and gems to enhance my designs ( if time allowed)

I sanitize my water and brushes and use only high quality FDA approved paints that are gentle to the skin and safe for children. I attend many workshops and classes to better my face painting techniques.

I charge \$100/ hour \$145/1.5 \$180/2 hours.

I take and edit pictures for my clients.

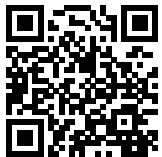

I work with children as a full time job and work very well with children. This is a joy to me and i love making the party special for the birthday child.

Call/email or text me the date, time, theme of your party and location at \*\*Please text me. I am a full time preschool teacher!

I book fast but will try to fit you into my schedule.

Please check out my yelp reviews and facebook business page with many pictures of my work. Just google Angies Paintbrush Face Painting.
