Someone who is seeking a secondary income along with their full time job, is self driven & a visionary of sorts. This opportunity that has just now opened up in Illinois will provide a great secondary income with the chance to drive a free and new Mercedes Benz each and every year. If you have 5-10 hours per week available, are coachable, and meet the above requirements send your full name and phone number to me and I will be in touch with you for a 5 minute discussion.
