It's always a difficult situation when a police officer catches you with heroin, marijuana, PCP, or any other illegal drug. While the charges may be serious and lead to a jail sentence, an effective defense can result in an acquittal or a deal that keeps your record clean. You need an effective attorney to assert your rights and tell your side of the story. I've helped hundreds of people just like you avoid jail and other consequences, and I can help you too.

Certain legal deadlines may occur within 10 days of being charged with a crime. If you have not hired a lawyer to act on your behalf, you may lose important legal rights. In addition to standard office hours, I offer evening appointments, and even weekend appointments in an emergency. My office is within walking distance of the Rockville Metro Station. Call me at for a consultation so that I can start defending you on these serious charges.
