QR Code Link to This Post Meet Grant. He is the sweetest boy ever! He is 3-5 years old, and has short soft black fur. He loves everyone he meets and is very friendly and outgoing! He was found as a stray, and one of his front legs has a bend in it from an old injury, but he gets around great on it! His foster dad says it just makes him even more cute and unique! He is house broken and would do best in a home without children. A quiet home without a lot of people so he could really bond with his new ma or pa would be best! Could his new home be with you?

We are also requiring mandatory obedience training in order to adopt him, so if you would like to adopt him you would have to enroll him in an obedience class before you would be able to take him home permanently. An adoption fee applies. Please email if.
