QR Code Link to This Post Meet the beautiful India Torti! Born in 2016, India was rescued from Detroit along with other cats when her family got evicted. She has a beautiful tortoiseshell coat, a striking face, and is also house-trained, spayed, and current on all of her vaccinations. She's good with other cats and probably okay with kids; we aren't sure about dogs yet. Adoption fee applies. Please email if.
