Now is the time to get some painting done. From now until the end of the year, I'm offering an insane, \$50 per room painting special. No minimum. One room, two rooms, or all of them! This includes all prep work and up to two coats of paint. I'll throw in the ceiling for another \$25.

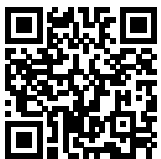

You won't find a deal like this anywhere else this time of year. Take advantage of it. Get your entire house done by a master painter (15+ years experience) at a fraction of the fair market cost!

Couple of ground rules. Let's say rooms no larger than 20x20' or so but I can be flexible within reason, especially if you're doing multiple rooms. Just can't be doing any vaulted walls or any of the more difficult stuff for this price. I'm sure you all understand. Owner is also responsible for cost of materials.

I anticipate my time will be filled up pretty quickly so get in on this insanely awesome deal before I'm booked solid! Reply or call/TEXT me at and let's set something.
