

FOUND 2017 Fort Lauderdale High CLASS RING (Fort Lauderdale Beach)**hide**

Location

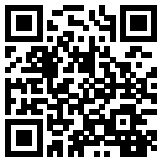

Florida<https://www.genclassifieds.com/x-747081-z>

QR Code Link to This Post My husband and I were metal detecting the water at Fort Lauderdale Beach a few weekends ago when I found a 2017 class ring. The class ring has a blue stone. It's from the class of 2017. Fort Lauderdale High Flying L's.

If you can provide your name on outside of the ring and the initials inside the band, we will be happy to return.
