QR Code Link to This Post the bottom line here is you can play in 10 different bands. but which band is your priority? its all about loyalty as to who comes first otherwise your a musical prostitute.. if theres a double booking who gets the shaft? this is something that has to be established right from the beginning especially if you commit to several projects?? most musicians that play in multiple bands have an understanding from the start on who comes first when it comes to a double booking.. anyone that is not honest in their intentions is an asshole ...period....COMMON SENSE IS A BEAUTIFUL THING..BEING STUCK ON STUPID IS??????
