Still looking for a repair shop you can trust? A mechanic that communicates with their customers??

Riverside is your one stop shop for your Expert service and repairs needs. For honest, reliable, and affordable fix it right the first time Shop. Give us a try, you will not be disappointed. (View our work and comments on Facebook)

I know its hard to trailer to the shop. This shop has all the tools, hard to find parts and OEM parts. Our quality and cleanliness is key for professional repair and finish. The boat is clean, your equipment is clean. Riverside takes our time, and doing it right the first time is giving you that finish. So trailer it to us and you will be glad you did.

Easy location to find with plenty of room 1 mile north off the interstate 12 and Hwy 59. We are behind united rental next to the scrap yard on 59.

Certified Trained Technician (All Makes & Models) All brands and all types License and Insured Fenced in yard with large shop (your boat is behind lock and key.)
