QR Code Link to This Post Music and creativity skills are inborn talent that we already have, but some encouragement is needed to guide them to improving these freest forms of self-expression. Not only music and creativity are key components of health, abstract thinking and happiness, but also help to be better problem solvers and to become more adaptable to change.

We are going to enjoy while:

â€¢ Playing the violin with an emphasis on aural (Suzuki) skills and sightreading etudes

â€¢ Learning the concepts of music

â€¢ Working on learning to read standard music notation

â€¢ Developing creative thinking and imagination with improvisation

Lessons for:

â€¢ Young Artist: 3- 6 years old

â€¢ Kids/teenagers

â€¢ Adults

I offer lessons and help with practicing in downtown Chicago. However, I am happy to travel to another location if that is more convenient for the student.

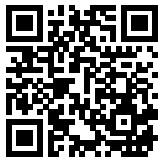

I look forward to hearing from you and helping you achieve success in your.
