

Crownline 176 BR Ski Boat (2500 USD)

Location **Mississippi**
<https://www.genclassifieds.com/x-747527-z>

QR Code Link to This Post Selling our 17'6" ski boat. 3.0 Mercruiser engine. If you've done your research like I did you know that these things are practically bullet proof. Not sure about the hours. A doctor owned it first and kept in fresh water. My buddy owned it for about a year and Ive had it about a year and a half with no issues. It has been extremely reliable and is great shape considering its 21 years old. Only reason we are selling is to upgrade to a bigger center console next.
