You would share the house with 1 guy 1 girl, but would be by yourself for the most part. Looking for a female roommate (sorry fellas, but there a young lady living here and it's a question of comfort) Yard is landscaped and maintained by myself. My house is fully furnished, so really all you would need is yourself and your personal belongings. 70" TV in the main room. All stainless kitchen with gas stove. A stainless wine bar in the dining area. A large utility room with front load laundry as well as a folding table and deep well utility sink. Large walk in pantry. 3 car garage (and yes one of those spots would be yours) Huge wrap around patio with outdoor fireplace, 30" stainless grill in the back yard, which is fully fenced and private. The bedroom is 12' x 12' with a large closet, queen pillow top bed provided if you dont feel like moving one in. Full private bathroom.

Included: all utilities - water, electricity, gas, sewage, trash, WiFi, satellite. All cooking and dining wares provided. Satellite hook ups for your TV in room.

As far as what we are looking for in a tenant: NO drugs, no criminal history (other than the dumb things we all did in our younger days... Come on we have all been there), clean and organized, responsible and mature, good natured, fun personality. I'm not looking to have a heavy party type in the home though BBQ and dinners are common here. I just need a solid dependable roommate. We are both very allergic to cats, soooo no Mr. Bigglesworth. The key word for what I'm looking for in a roommate is responsible, responsible, responsible. This is a very relaxing home with a great feel, just needs the right fit for a.
