QR Code Link to This Post Promoting yourself or your business is not easy and your to-do-list is guaranteed to never end. You should not use this though as an excuse to skip it when it comes to having online visibility. Let's be real; we live at a time where people Google before they shop, read online reviews before they buy and "check-in" via Facebook. You want your first impression to be the best it can be, beginning with your website.
