QR Code Link to This Post Looking for a drummer for my new project, Corvus Veil. If sub-genres are your thing then I guess you can consider it Melodic Death/Thrash/ Hardcore/Groove Metal but as far as I'm concerned it's just Metal and I want to get a little weird and put some different styled sections (maybe some Flamenco, Funk, Jazz, etc.) into the songs, as long as they flow well. We have a tendency to write off time riffs and sections because we're cool like that. Currently have about 11 songs in the works with my other guitarist. Already have a Vocalist and Bassist on board as well.

Influences are along the lines of:  
 Conducting from the Grave  
 Wastewalker  
 The Haunted  
 Wretched  
 Hatchling  
 Misery Index  
 Black Dahlia Murder  
 Feared  
 Devildriver  
 Hatebreed  
 Etc.

Interested or know anyone who would be?

1. It's currently a weekend warrior passion project and we aim to meet up on Saturday afternoon/evenings due to everyone's schedules.

 <p>Would like to see the actual band between 10-11pm but expectations should be realistic.</p> <p>Ask the band to have at least 3 songs drum kit, and a rich sound. Expect you'll have an insane expensive kit, and a lot of sound gear. Local rig.</p> <p>4. Ask that you have transportation but I'm willing to work with you if not, depending on where you live, and that you intend on getting transportation.</p> <p>5. Nothing is recorded yet, but working on getting some guitar play through videos together so you can get an idea.</p> <p>6. Don't be an egotistical asshole dickhead.</p> <p>You can call, text, or message the band's facebook page.</p> <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>	 <p><b>New Local Indy Metal Band In Search of Drummer (Indianapolis)</b>              hide this post  <a href="https://www.genclassifieds.com/x-747975-z">https://www.genclassifieds.com/x-747975-z</a></p>
