Equipped with a maintenance free motor that requires no oil

Ideal for finish applications including crown molding and casing

Product Overview

The Porter-Cable Pneumatic 2-1/2 in. 15-Gauge Strip Angled Finish Nailer Kit features a nailer with a compact body design for easy positioning and placement. An internal piston-catch mechanism keeps the piston at its initial position for consistent power and a non-marring nose tip with on-tool storage helps prevent ugly marks from nailing. The kit includes a nailer, case, finishing nails, 1/4 in. plug with cap, oil and operating manual.

Bypass pusher reload magazine can be pulled from either side for rear and lock-style reloading

Internal piston catch mechanism keeps the piston at its initial position for consistent power

Removable non-marring nose tip with on-tool storage helps prevent ugly nailing marks

Sequential-style trigger with lock-off switch for safety

Contact safety behind the driver guide promotes visibility

Tool-free adjustable exhaust channels contaminants away from users

Tool-free jam-release mechanism offers easy nail removal

Tool-free depth-of-drive adjustment with detents for proper nail-head setting

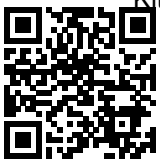

Integrated rubber grip provides a comfortable handhold

Compact body design for easy positioning and placement

Maintenance-free motor delivers a long life

Compatible with 1 in. - 2-1/2 in. 15-Gauge angled finishing nails

Kit includes 15-Gauge finish nails, 1/4 in. fitting, safety glasses and carrying case
