

Wanted Japanese Samurai Swords and Armor (5000 USD)

Location **Minnesota**
<https://www.genclassifieds.com/x-748318-z>

QR Code Link to This Post Wanted to buy antique Japanese swords. I am looking to buy Katana, wakizashi, tanto and their fittings and armor. These swords and related items were usually brought home from WWII or the occupation of Japan my US solders. I buy single items or whole collections! Thanks for looking!

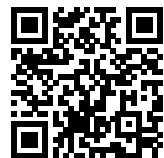

Please no modern practice or souvenir swords.

Please email me about what you have.
