Read before coming

The car looks, feels, drives and smells like new, only 60,xxx original miles on it, needs absolutely nothing known by us, excellent engine and tranny, best thing for price, must last for years and years.

All the features you need to drive safely and comfortably, REMOTE START, Crusie... very smooth and nice ride, fast and responsive, you won't get tired of driving it.

Brand new front tires, ready for winter.

Just replaced front Bakes&Rotors

Has very small cosmetic imperfections, no used car is absolutely perfect (See Pictures Please) front bumper was recently replaced because of minor hit.
