QR Code Link to This Post Ever Visit A Website And You Thought About How Bad Or How Great It Was?

Just Open A Website, Click Around, And Get Paid.

New Or Updated Website Owners Compensate You To Test Their Sites.

For Example With User Testing You Can Earn Almost \$30 For An Hour. Here's How It Works:

You Get Paid \$10 Via Paypal For Every 20-minute Video You Complete.

Usertesting Pays You To Visit Websites Or Apps, Complete A Set Of Tasks, And Record Your Thoughts.

While You're Visiting A Website Your Screen Will Be Recorded As Well As Your Voice.

Their Clients Include Apple, Microsoft, Adobe, And Other Fortune 500 Companies.

How Would You Like A Few Bucks To Share Your Thoughts?

Check Out How To Make Quick Money From Home Testing Websites For A Full List Of Companies That Will Pay You For Testing.
