Thou Curator is a hobbyist game development studio looking for members to join us to create games.

If you have ANY of the following skills or a desire to be apart of a team of game developers you should review our site and see if we could be a good match for each other.

- Any artist abilities using paper or digital tools
- Familiar with modeling 3d object
- Creative thinking for design
- Music with sound effect abilities
- Knowledge in C# programming
- Ability to write a novel and then convert into comic book style

Be apart of a productive team come join us by clicking below. It is recommended you research the public site first before joining us.
