They are housebroken and have had their shots. They are extremely sweet and loving and is good with other animals. They are good with kids and loves to give kisses but can be hyper at times. I will only let them go to a great loving home. They need a loving family who has time for them since I'm always on the road as a network administrator. They will come with accessories and food samples. Please ONLY SERIOUS INQUIRIES! And please talk to your family members BEFORE contacting me. Please understand that most dogs do shed. I can send recent
