QR Code Link to This Post Looking for a reliable snow sub contractor to help service properties in downtown Cleveland and also one on Brookpark rd just off 176 at exit. Both commercial properties (plow lot, clear walks). Properties our time sensitive and needs to be completed by 6am M-F. If you have bulk salting capabilities then we can talk about you being responsible for salting as well. PLEASE EMAIL me your NAME, PHONE NUMBER the type of truck, plow size and hourly rate for truck. I am replying through the Craigslist email and it may be going to your junk mail so I would like to contact you directly by phone. Thanks
