QR Code Link to This Post If you have past due or incorrectly filed tax returns, we can help you file for as many years as you need to go back. Do not wait as you only have a three year statute of limitations to claim your refunds. After that, Uncle Sam will keep them and say "Too late!". Don't you give him enough already?

If you think you may owe (maybe you don't) let us help you file those returns also. Why wait, the tax liability is not going away. We can help you set up a payment plan if needed and get the monkey off your back.

Send me an email or call with your tax issues and I will respond with a solution as soon as I can. We will not charge you until you have us prepare a return(s) for you.
