

Qualified Recording Engineers Do you need a base of operation (Walkers Point MKE)

Location **Wisconsin** https://www.genclassifieds.com/x-749817-z

QR Code Link to This Post National Recording welcomes graduates of recording programs and demonstrably qualified engineers to work with us in our very well-equipped facility. We do use outside people for our overflow, but we are presently in particular looking for solid, reliable people with their own projects and clients who would like to get the studio at a reduced rate.

Please tell us about yourself by email and we will get in touch.

Thanks for your!
