Why hire a company that specializes in One-Shot cleaning to provide your Janitorial needs? Because we just clean better! Our years of experience has taught us that just a little more time is the difference between your employees complaining about the cleaning and wasting time doing that, or just concentrating on their job, because the janitorial leaves nothing to be desired. This makes for happier and more productive employees!

D 'n' S Janitorial Services Company provides the services that you want for a price that you can afford. Offering commercial space cleaning on a one time basis or 7 days a week. Call today for a free quote!

D 'n' S Janitorial Services Company, a name trusted and respected since 1988, has the experience and your best interests in heart. We will not recommend services that you do not need. Our integrity speaks for itself! Our years of experience in the marketplace, makes us your best choice in overall cleaning. Our 'Whole Picture' approach will point out items to concentrate on that you may never have thought about, and items to ignore that somebody else might have told you was important (to their pocketbook!).
