QR Code Link to This Post The community of San Tropez stands in distinction with its European-inspired architecture of stone mosaics, white trimmed windows, and balconies that overlook the beauty of South Jordan.

Our apartments just got smart, learn more! San Tropez Apartments features smart apartment mobile controls in select homes. It's like having your apartment in your phone. You can let a friend in when you're on vacation with digital locks. Or turn off all your lights from bed. Or save money by automating your climate. To learn which apartments have smart features, please consult the leasing office.
