

# ANIMATION PRODUCTION CEL (1960 USD)

Location **Tennessee**  
<https://www.genclassifieds.com/x-750523-z>

QR Code Link to This Post + Original Pink Panther "old-style" animation production cel where they used 24 cels per second to convey motion.

- + Not a print, sericel, copy, or fantasy art. Was actually used in the final production of a Pink Panther cartoon in the 1960s.
- + This is a 1/1. There are no others exactly like it.
- + Standard 12.5" X 10.5" size cel.
- + Hand-inked and hand-painted by animation artists at United Artists animation studio in Hollywood.
- + Line producer's hand-marked scene and frame numbers at the bottom (under the mat).
- + Animator's desk peg holes across the bottom (under the mat).
- + Framed and matted, or can easily be removed for re-framing.
- + Your choice: Pink Panther as a tourist with camera, or Pink Panther as a zookeeper. Price is.
