2003 Chevy Trailblazer mid sized SUV. 4.2L, auto, 2wd runs great. Power windows and locks, excellent heat and a/c, cloth seats.

This vehicle was a new car trade purchased at dealer auction. After acquiring the vehicle we had some coils replaced, alternator, swap bar, and new a/c compressor. The SUV runs great, has plenty of power and is ready to go to a new home. The receipt totaled \$732 and we'd be happy to share it with you.

Come take a look!
