QR Code Link to This Post am selling my antique Singer "Red Eye" sewing machine Model 66 serial number G0093952...Made May 28, 1923. Straight stitch only....drop in class 66 bobbin.....regular 15x1 sewing needles or you can use larger needles for heavy weight sewing. Regular low shank feet. This machine makes a beautiful vintage Singer stitch and originally was in a treadle cabinet. It can also be used as a hand crank machine. My machine has had a motor added and light and is electric. Everything is working excellent. The wiring needs to be redone.....but I have been using it and not afraid of the wiring. Makes excellent quilting machine. I have seen videos on youtube that people are sewing heavy duty fabric and even several layers of leather with this machine. I have this machine set up and ready for you to try out. Machine comes in a Bentwood case with a coffin lid. The lid has some damage and I don't have a key to us. Instructions can be downloaded free from the internet. \$95.00 cash. If interested text or call

thanks Nancy Brownsboro is located on Hwy 31 between Athens, Texas and Tyler, Texas and just minutes away from Canton Trade Days in Canton,.
