QR Code Link to This Post howdy, im looking for a helper here at my place in south Dakota by Huron. A good woman close to my age (46) with few or no attachments that needs a nice place to live, and that loves horses, and will put in some real effort. i posted in gigs, but im truly looking for something long term. i farm/ranch full time and have a place of my own that needs a womans touch. someone creative, eccentric possibly, artistic, gardener, prepper, etc. if you find this intriguing say hello please. my name's.
